

SPRINGDALE CROP SYNERGIES

“Join the Agricultural Revolution”

*** Borage ***

An opportunity to become involved in a ‘superb cash break crop’

Secure your acreage now:

- Contract price: approx £2000/t ex farm.
- Benefit from Single Farm Payment.
- Grown on main regime land only.
- Moderate nitrogen inputs – high gross margins!!
- Grows well on a range of soils – a good stale seed bed is the key.
- Conventional and Organic contracts available.

Latest News!!!

“A stable future with Springdale”

- Springdale Crop Synergies supply Borage oil to major stores and pharmacy retailers. The oil is marketed as ‘Star Flower Oil’ – check your local high street stores to see the market potential.
- Insect pollination important – contact your local Bee Keepers Association members for free help and advice.
- Swath at harvest using a multi crop header for yield increases of up to 20%.
- Make sure you are ready to capitalise on this new long term opportunity.
- Take the uncertainty out of farming and grow with Springdale.
